STEININGER

Steininger will focus on allied diplomacy and German reunification efforts and in that context, he will also discuss German-German relations and the recent exodus of 20,000 East Germans to West Germany.

Dr. Wolfgang Schlauch, Professor of History at Eastern said, "Steininger is a foremost authority of post World War II diplomacy and he has agreed to speak at Eastern, the University of Illinois and Indiana University while he is in the United States for a International Conference."

Steininger has published widely in the area of post World War II diplomacy. One of his recent books, Germany's Last Chance: The Stalin Note of March 1952 and the Question of German Reunification will be published next spring by Columbia University Press.
